About the Duramed FUTURES Tour

The Duramed FUTURES Tour is a highly competitive women's professional golf tour whose mission to prepare the very best young professional women golfers in the world for a successful career on the LPGA Tour. Each year, over 300 top players from more than 30 countries compete over a 17 tournament season in order to win one of the coveted LPGA membership cards. Amazingly the 18-hole scoring average of our Top 100 players over the course of an entire season is only one stroke away from that of the LPGA Tour's Top 100. This Pro-Am gives you the opportunity to play with the world's best as they stand on the doorstep of becoming stars on the LPGA Tour!

It's A Scramble! Fun For Everyone!

It doesn't matter how good a golfer you are - that's why you're paired with a professional. The format is a five-person scramble - four amateurs + one professional - playing for a good lie. If you win, congratulations! But even if you don't, you will have had a great day with friends, clients or colleagues, and one extraordinary athlete. All tournament proceeds go to a local Richmond area charity.

Cost: \$1,600 per foursome all inclusive.
